God is at the centre of our lives and as a school community we try to grow in love and care by following the example of Jesus

Monday 9 July 2018

Dear Parents,

Firstly a big thank you to those gallant parents who gave up so much of their time organising, setting up and running stalls for the Summer Fayre without you these events simply would not happen. If they did not happen the children would miss out on the very many items that the PTFA have provided over the years and there would be no funding to support the many trips that the children enjoy. Thank you also to all the parents and staff who supported the Fayre by contributing items in the lead up or by giving up their time on the afternoon.

Well done to all the children who were very brave in sharing their talents and entertaining us all so beautifully you were brilliant.

The days are ticking down now to the summer holidays and the events are coming thick and fast so keep an eye on our website for the next fortnight...and beyond for September!

Aladdin trouble

Year 6 will be performing this to their parents at 6.30pm on Tuesday 10th July. It has been terrific fun to watch them preparing for this their last performance at St Mary's and for those who remember them in Reception and Nursery they are still dab hands at junk modelling creating many fabulous props out of cardboard and bits of string!

Sun cream and hats

Thank you to all those parents who are keeping on top of this. As a parent I realise how frustrating it is to add applying sun cream to the list of morning jobs and how many hats my child can misplace however the hot weather is forecast to continue for the immediate future!

Science Festival

A group of budding Scientists accompanied our Science coordinator Miss Fearnside to the Wolverhampton Science Festival on Friday 6 July. Amongst many thrilling activities they made clouds and discovered why scientists were mistaken for magicians!

Harvington Hall

Year 5 will be making an early start literally as well as metaphorically to their Confirmation preparation (12th February 2019, 7pm!) with a trip to Harvington Hall a bastion of Catholicism at a time of intense religious persecution with a series of priest holes that were so ingeniously concealed that not one priest was ever caught there.

Farewell Mrs Gretton

After many years of providing a wonderful level of care to the children of St Mary's Mrs Gretton is moving on. She will be much missed by children, parents and staff for her cheerfulness, hard work and kindness. There is a collection in the office for all who wish to contribute.

Transition Dates

On Friday 13th July we will be holding our Transition day for 2018 when most of the children will be spending time with their new teacher. Due to commitments at his current school on Friday Mr Johnson who will be teaching Year 3 next year will be spending time with Year 2 on Tuesday 10th July.

Kind regards,

Mr J Shingler
