Dear Parent/ Carer,

RE: SCHOOL FUNDING PETITION – We need your help!

Head teachers from across Staffordshire have joined forces with Head teachers from across the country to voice their major concerns over reduced funding in schools.

Many schools asked parents to sign a petition for this issue to be debated in parliament and as a result almost 100 000 signatures have been gathered already. This is not the end. We need your voice to help this debate impact on future allocations to schools from the government.

On Monday 4th March a debate will take place in Westminster Hall, which is the second debating chamber of the House of Commons. Liz Twist MP, a member of the Petitions Committee, will open the debate.

This is great news but we need the government to hear how damaging the cuts have been to our funding. Many schools are having to cut back vital resources all of which is ultimately detrimental for your child's education and their future.

Now that government is listening, we need to stress how important funding schools sufficiently is and you can help!

We would urge you to take a little time to contact your MP, via email, to let them know how you feel about this matter. If MPs hear how you, their constituents feel, then they can share your voice in this important debate on Monday 4th March.

You can check who your MP is by quickly typing your post code on this website. <https://www.theyworkforyou.com/>

If you are concerned about the impact of funding on your school and schools in your local community then please let your MP know. Encourage them to attend the debate and encourage them to share your concerns.

If you have not yet signed the petition then I would urge you to please follow this link. Your voice still matters! We can all make a difference! <https://petition.parliament.uk/petitions/232220>

Your children deserve this.

Yours sincerely,

Mr Shingler
