

**Year 3 Homework**  
**Friday 16<sup>th</sup> October**

Well done for all of your hard work this week, Year 3! It has also been lovely to see pictures of what you have been doing at home coming in by email so I can see them.

Here is the homework which I would like you to do:

**Maths**

- Log in to Times Tables Rockstars at <https://trockstars.com/> - see if you can beat your previous highest score.
- Practise taking away a three-digit number from a three-digit numbers, as we have learned in class this week:

$$234 - 162 =$$

$$346 - 129 =$$

$$254 - 182 =$$

$$362 - 135 =$$

$$273 - 168 =$$

$$284 - 192 =$$

Now try some of your own! If you get stuck, remember to draw some little dots to see whether you can take away one number from another or if you need to go into the next column.

- Superchallenge - try the Three Dice activity at <https://nrich.maths.org/6719>

**English**

- Reading - read your reading book and ask a grown-up at home to ask you some questions about what you have read.
- Spellings - practise these spellings ready for a test next Friday:

straight  
campaign  
contain  
brain  
faint  
waist  
claim  
praise  
complaint  
afraid

- Find 10 nouns around your house and garden. Remember that a noun is a person, a place or a thing.

Why do some nouns need capital letters?

### Spanish

Practise saying and writing the days of the week which we have learned this week.

Monday	lunes	Friday	viernes
Tuesday	martes	Saturday	sábado
Wednesday	miércoles	Sunday	domingo
Thursday	jueves		

### R.E.

This week, we have discussed the Parable of the Prodigal Son. We learned that this parable is all about being sorry and being forgiven. Think about some other parables in the Bible - what do they teach us?

- Parable of the Sower
- Parable of the Lost Sheep
- Parable of the Lost Coin

We would love to see your work - please email a photo to us via [office@st-marys-cannock.staffs.sch.uk](mailto:office@st-marys-cannock.staffs.sch.uk)

Have a lovely weekend and we will see you on Monday!
