- Leap pads have been purchased for Early Years (12 in total 6 for reception and 6 for nursery) at a cost of £959.88
- A request for Children's Bibles has been put forward for 40 bibles in total, some being age appropriate for early years. This would be a cost of £700, all members voted and agreed that the request would be granted.

Chairman's Speech ~ Chair thanked everyone for their commitment and support over the last year. A special thanks was noted for Mr Breeze as this will be his last AGM whilst being the head teacher. It was noted that Mr Breeze has supported the school and PTFA for over 20 years. Whilst it was noted that we have a good support network it was discussed that some members will be leaving this academic year and so we really need to recruit new members or people that do not mind helping out occasionally.
