God is at the centre of our lives and as a school community we try to grow in love and care by following the example of Jesus

Dear Parents,

Re:- Class arrival and departure timings

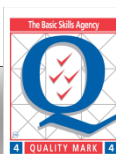

Following much thought and discussion the staff at St. Mary's intend to bring children in and out using a variety of entrances and exits spread over a much longer time frame than normal. This staggered entrance and exit will build on our experience over the last term and should assist us in keeping arrivals and departures flowing smoothly. The idea of a staggered start and end time needs your support if it is going to work as if the person collecting is late then we could have a build-up of people in a small space which we are seeking to avoid. The table (overleaf) shows class timings and refers to Zones which we are using to avoid a build-up of people in one area. In September we ask that you wait in your zone until your child's class is ready. On your arrival in September all zones will be labelled however as a quick guide Zone A will be at the end nearest to Hunter road from fence to climbing wall whilst Zone B will be the green tarmac netball court and Zone C will be the netball court nearest to the school. Don't worry if that isn't clear as they will be labelled!

Also if you look at the table and can't visualize which entrance to use don't worry as there will be lots of familiar faces around for you to ask!

Children attending Farleas will be taken to the Nursery building before other children are collected to ensure that the movement is completed safely. If you wish to make use of Farleas' care please call Natalie on 07968940280 to discuss the hours you need.

Best wishes for a lovely summer

Mr Shingler
